

**Children's Hospital Los Angeles**

*International Leader in Pediatrics*

*Did you know...*

- a child with leukemia uses 1-2 units of platelets each week?
- a newborn on ECMO can use up to 10 units of blood?
- that the children of our hospital need 1,000 units of blood and blood components every month?
- that your help can save the life of a child?

ILWU LOCAL 13 will be hosting its' Annual Blood Drive during the week of spring elections to benefit the children of Children's Hospital Of LA. The hospital is very low on its' supply of blood and the children, like one of our own, Baby Jaela, are in desperate need of our help.

*Please...donate blood and give the gift of life...*

**DATE:** Wednesday, March 10, 2010

**TIME:** 7:00 AM to 2:00 PM

**PLACE:** ILWU Memorial Hall – 231 W. C Street, Wilmington

(Appointments are preferred, but walk-ins will be accommodated)
