**A MESSAGE FROM PRESIDENT PAUL TRANI** - Most months I try to include a message of unionism or awareness of issues occurring within our local. This month is no different. **Get involved with your local.** Don't just sit in the back and complain. Get up and make a difference and volunteer. We are having some serious issues on the job. All of us have a contract, all of us have our working rules. Don't let the employer influence you in doing what you know is wrong and if you don't know then look it up or call your BA. I depend on you, our members to do the right thing. The last thing I want you to do is show up to a job and confront a member of working illegally. **Do the right thing.** Treat each other fairly. Do the work that is required of you and do it better than anyone else. What makes us strong is supporting each other on the job - not working against each other. Protect the union, protect the hall, protect each other. Our goal has been to get training for the membership. Our goal along with Local 13 is to increase our membership. Our goal is regaining jurisdiction. PMA's goal is to say "NO". What do you say?

In Solidarity,  
Paul Trani
