

**Pacific Maritime Association  
Long Beach**

---

**TO: INDIVIDUALS PRESENT AT THE LOCAL 63 DISPATCHER OFFICE  
LOCATED AT 350 W 5th St # 200, SAN PEDRO, CA 90731 BETWEEN JULY  
27 AND JULY 31, 2020**

**POSTING NOTIFICATION**

If you were present at the Local 63 Dispatcher Office between July 27 and July 31, 2020, in agreement with the ILWU, we are notifying you to advise that an individual who worked at the Local 63 Dispatch Office during that time has been diagnosed with Coronavirus Disease 2019 (COVID-19).

The purpose of this notice is not to alarm anyone. We have no information that individuals who worked were present at the Local 63 Dispatcher Office were actually exposed to COVID-19, and we have no specific reason to believe they may become ill. However, as a precaution, we want to make sure all are aware of this possible exposure.

Individuals who encounter symptoms such as fever, cough, or shortness of breath, should call their health care provider or local health department to determine the best and most immediate way to seek care – If you were present at the Local 63 Dispatcher Office between July 27 and July 31, 2020, be sure to tell them about your possible exposure at work. Contacting a health care provider or health department in advance will make sure that you can get the care you need while protecting others from the risk of exposure.

PMA will continue to work with relevant federal, state, and local government agencies to monitor this situation and ensure worker safety on the docks. In addition, PMA has issued a Safety Bulletin to its member companies regarding precautionary measures for dockworkers to take at West Coast terminals. We are also cooperating with the ILWU to address its concerns about worker safety during this challenging time. For additional information about COVID-19 and precautionary measures, please visit the websites of the Centers for Disease Control and Prevention and the California Department of Public Health at these addresses:
