The Committee met to discuss the status of the travel restrictions agreed to in CLRC Mtg. No. 10-20.

After discussion, and as a further means to minimize the risks associated with the ongoing COVID-19 outbreak, the Committee agreed to instruct the Clerk JPLRCs, who have work assignments in outer ports, to immediately establish temporary resident lists which assign members to work in a respective port, based on their residency. Those individuals will be dispatched and restricted to work assignments in the port assigned. The temporary residence list shall be utilized for the thirty (30) day travel restriction period.

In addition, the Committee agreed that clerks working in the identified port will be ineligible for travel payments under the PCL&CA during the thirty (30) day travel restriction.
